DETAILED ACTION

This Office Action is in response to Applicant's amendment filed on 06/27/07.

The amendment addressed the 35 USC § 101 rejection (cited in the Final Office Action mailed on 3/27/07) directed towards claims 18-20. As a result, the 35 USC § 101 rejection is withdrawn.

The updated search did not reveal any prior art anticipating or fairly suggesting the limitation of applicant's independent claims, in such a manner that a rejection under 35 U.S.C. 102 or 103 would be proper. As a result the claimed invention, as recited in claims 1-20, remains to be considered to be in condition for allowance as being novel and non-obvious over prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on statement of Reasons for Allowance".
